At the Episcopal Church Sunday.

Sunday morning the Rt. Rev. William Crane Gray, D. D., Bishop of Southern Florida, preached at Grace Episcopal church in this city. He is a forceful speaker and his sermon Sunday morning was a very fine one. His text was from the first chapter of Hebrews, sixth verse, "Let all the Angels of God Worship Him."

At the conclusion of the sermon the Bishop confirmed a class of nine young ladies and girls, viz: Misses Maude, Bessie and Edith Needham, Etta Deibel, Sara Davis, Ellen Clarkson, Jean Teague, Mary Reardon and Mrs. J. L. Emerson.

The services were very pretty and enjoyable, the singing being especially good.

Rev. Carlisle P. B. Martin, L. L. D.

Waverly, Texas, writes: "Of a morning, when first rising, I often find a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung troubles." Tragedy at Rock Springs.

Tuesday at one o'clock a sad tragedy occurred at Rock Springs.

Miss Rena Lytle was shot by her little niece, Claude Clark, through the neck with a parlor rifle at the home of her uncle, Mr. R. B. Clark.

Miss Lytle is about twenty-five years old and her niece about fourteen.

It was thought that the bullet had been extracted from the rifle, indeed some one said it had been, and the aunt and niece were examining it. Finally the aunt handed the rifle to the niece with the barrel pointing towards her and in taking hold of the handle of it the niece grasped the trigger and the rifle fired, and sent a bullet through the neck of the unfortunate lady, severing the wind pipe and lodging, perhaps, at the base of the spinal column at the back of the neck.

Dr. E. Van Hood was summoned and found her entirely paralyzed and in an extremely critical condition.

Dr. Griffin, of Dunnellon, spent the night with her and as soon as she is able she will be brought to the Marion County hospital.

A Delightful Entertainment

Mrs. H. H. McCreary, president of Kirby Smith Chapter, United Daughters of the Confederacy, tendered Monday afternoon an informal reception to the members of the chapter in honor of Mrs. J. B. Cutler, of Ocala and other visiting daughters. While the reception was entirely informal, there were a great many present, and the afternoon was passed in a manner becoming to the occasion. —Gainesville Sun.

A Peach Blossom Luncheon.

On Tuesday at 1 o'clock Mrs. William Hocker entertained at luncheon in honor of her sister, Mrs. John Hansbrough, of Tampa. This was one of the most elegant social functions Ocala has ever enjoyed, the beautiful home affording an effective setting to Mrs. Hocker's grace and charm as a hostess.

The decorations were of peach blossoms which gave the keynote to the color scheme of pink and green. In the dining room were covers laid for sixteen. The center of the table was massed with full billowy heaps of tulle, in the midst of which were scattered sprays of the peach blossoms and smilax. The place cards showing the same flowers.

A most dainty and attractive menu of six courses was served and discussed in the midst of bright conversation.

The hour previous to the luncheon was passed in playing pit, Mr. Hiller being the successful broker. She was rewarded for her skill "on change" with a copy of The Pit by Norris, which will doubtless be a souvenir of a most delightful occasion.

The ladies present were Mrs. Hansbrough, Mrs. Hirsch, Mrs. Hubbard, Mrs. Allred, Mrs. Austin, Mrs. Clarence Camp, Mrs. Jack Camp, Mrs. McIver, Mrs. Hiller, Mrs. Hall, Mrs. Herbert Anderson, Miss Wartmann, Miss Rosenbaum and Miss Hiller.

Mrs. Hansbrough, the guest of honor, is a lady of brilliant mental culture and much social charm and all who had the pleasure of being present found her a most agreeable and entertaining accession to their number.

Nothing Doing.

Tuesday night was the regular meeting of the council but again there was no quorum.

The new board of aldermen seem to have every reliance in the new mayor and in not meeting is really clothing him with a vote of confidence.

In this connection we may be permitted to say that if there is "nothing doing" in the council chamber there is something doing in the mayor's office.

Mayor Edwards has gone diligently to work and is thoroughly familiarizing himself with the duties of the important obligations resting upon him and promises to make a careful, painstaking and energetic official.

He is built that way.

Tuesday quite a number of offenders were before him and he held the judicial balances with Solomonian wisdom and tempered his findings with the softness of speech and the minimum limit of the law measured in cold cash.

Women Who Wear Well.

It is astonishing how great a change a few years of married life will make in the appearance and disposition of many women. The freshness, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage. Many neglect to deal with the unpleasant drains which are often consequent on marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness. As surely as the general health suffers when there is derangement of the health of the womanly organs, and so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Half a million women and more have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well.

DANGER COMING

Signs that Point to Bright's Disease or other Fatal Forms of Kidney Trouble.

There are thousands of persons who are unconsciously in danger of the fate that has lately befallen so many of our most prominent men and women who have died from kidney trouble. These diseases are alarmingly on the increase, and they come on so insidiously that few realize their condition till life is actually in danger.

In the early stages of kidney disease there may be headache, backache, unnatural appetite, bad taste in the mouth, dry or furred tongue, thirst, dry skin or strong perspiration, sediment in the urine, or unnatural feelings in various parts of the body. Don't expect all these signs to show themselves. As soon as you notice any of them, commence at once the use of FOLEY'S KIDNEY CURE.

THOMAS MAPLE, Birbeck, Ill., writes: "I had a very bad case of kidney trouble and my back pained me so I could not straighten up. The doctor's treatment did me no good. I saw FOLEY'S KIDNEY CURE advertised and took one bottle which cured me and I have not been affected since. I gladly recommend this remedy."

It is a simple thing to make your kidneys right when they are not badly affected; but it is not so easy after destruction has set in. FOLEY'S KIDNEY CURE will cure every form of kidney and bladder trouble if taken early and it will give relief even in the most hopeless cases. It is an honest preparation and will do all that is claimed for it.
